WOMEN OF PEACE VOLUNTEERS NEEDED...

Thank you to JoAnn Bohling for being the caller for Team #2 and to Chandra Hillman for being the buyer for Team #1 for the last few years!

We are **desperately** in search of a new caller for Team #2 for 2016. This person would be the one who makes phone calls to get workers for funerals and workers and volunteers to provide food items for any event that Team #2 is hosting.

You needn't be at every funeral or event, but just assemble a work group who would cooperatively be the hostesses.

We couldn't provide a funeral lunch without these volunteers, and if ever that time happens in your family you realize what an important need the fellowship of your church family provides during your time of loss and healing. Maybe this is a job for you for the next couple of years? It's one of those jobs you can do from the comfort of your home and you don't need to live near the church to make phone calls. You just need patience and a little quiet time.☺ Please consider it prayerfully and let Lois Nelson (#402-365-4254) know if this is a service you could provide.

THANK YOU to Jami O'Neal who has volunteered to be the Flower Chairperson for the Women of Peace. We need volunteers to help fill each month. At this time we only have 6 monthly volunteers, which leaves ½ of the year without volunteers. As the volunteer of the month you aren't expected to provide flowers, but may if you'd like to. Your only responsibility is if there are flowers, keep them watered, and in warm weather conditions place them in the refrigerator during the week and back out for worship services. Let Jami know (#402-768-4142) if you'd like to offer to be responsible for the flowers for one month of the year.
