THANK YOU to all those who volunteer at Peace throughout the year! Without you, we'd be a church family suffering from disconnection and lacking in the love and the joy of worshipping each week. Can you imagine your life without the church and this church family? I can't....

I'm not going to have the schedules for 2018-2019 done by mid-March, like I usually do, as we asked individuals to fill out new Time and Talent sheets. As we take the time to compile the Time and Talent sheets I will come up with new schedules through March of 2019. If you haven't been able to fill out a sheet, please pick one up at church and turn it in anytime soon.

I have worked with our present monthly servants for many years and have them scheduled for months that are convenient for them (farming, hunting, etc.) and some have personally requested times. I'm hoping many of you will continue that schedule as I plan to keep you in your month, unless you request differently. Our hope is that the work load can be spread out more among our membership than just the same folks putting in all the time and work to make worship happen.

Flexibility and understanding are a big part of working with our servants, so if you sign up for something and it doesn't work out when the time comes....that's okay. ☺ We'd just appreciate if it you'd consider serving your Lord in whatever way the Holy Spirit leads you. *And we can't thank you enough for your service!* ~ Marla Maschmann, Office Administrator

"Day by Day"

Let every dawn of morning be to you as the beginning of life, and every setting sun be to you as its close. Then let every one of these short lives leave its sure record of some kindly thing done for others, some goodly strength or knowledge gained for yourself.
