***Resolve to Listen***

Christian philosopher Paul Tillich said, "The first responsibility of love is to listen."

Yet in our fast-paced culture, truly listening to someone has become a lost art.

The intricate Chinese written character for the verb to listen offers wise insight about how to listen to people so they feel heard. The symbol is actually a combination of characters for ears, eyes and an open heart.

Basically it reads, "I give you my ears, my eyes and my undivided attention." What a great image of being fully engaged during the act of communication! James 1:19 offers two wise resolutions for the year ahead:

Be "quick to listen" and "slow to speak" (NRSV). Practicing the skill of active listening is a much-needed way to minister to other people, serving as Jesus' "ears" in a hurting world
