

Preschool News

It's hard to believe that December is here. Our preschool year is going by so fast! We have been blessed with beautiful weather so we've been doing a lot of our learning outside!

We have been learning about farms and farming in October. Some of the farmer's kids are teaching me a lot! 😊 We were able to take a walk to a nearby pasture and see some horses which went perfectly with our topic! Since field trips aren't an option at this time, this was like a mini field trip for us. We are now moving on to learning about magnets. The curiosity of the kids continues to amaze me! They learn so much through exploration.

During Jesus time we continue to move through the Old Testament. We learned how important it is to listen to what God tells us to do like Samuel. We made headbands with listening ears to remind us to listen to God. We've also learned how the Lord is our shepherd and we are sheep. I dressed up as a shepherd and the kids as sheep to show the kids how a shepherd cares for his sheep. The Bible stories are always a fun part of our day!

BIG EARS FOR LISTENING TO GOD!

JESUS IS OUR SHEPHERD!

With so many uncertainties in our world today, it's so nice to remember that God's love never changes. May you all feel the peace and love of Christ this holiday season!
