**Happy Thanksgiving from the Little
Lambs Preschool Class at Peace!**

Our learning

We are growing in our alphabet knowledge, our counting ability and our social skills. We know our routines and are enjoying the beautiful weather. We have begun to have show and tell and enjoyed seeing some live animals. We are making individual short books and a class book on our trip to the fire station.

Shadrach, Meshach, Abednigo and Daniel

We have learned a great deal about God’s protection while learning about the trip to Babylon, the King’s dream, the fiery furnace and the Lion’s Den. We have been singing about God watching over us in all places and at all times.

Fire Station Field Trip

We recently walked to the fire station to visit a fireman, hear what he sounded like, see him in his protective gear, and visit both the fire trucks and the ambulance. The children enjoyed sitting in the ambulance and talking about the different people who might be in the ambulance. We looked at the oxygen mask and saw how to breathe into it. We climbed on lots of fire trucks and saw the different seat the firemen sit on and the levers that they use.

Many thanks to our local fire station for the field trip and the protection that they offer us.

Registration Time!

It doesn’t seem possible, but it is registration time for next year already. I am planning on two classes, one for three-year-olds and one for children eligible for Kindergarten the next year. The cutoff date for the Pre-K class is 4 years old by July 31st. Know of a child old enough for Kindergarten but not ready yet? Send them my way!

If you have a child or know of a child who is ready for preschool, please encourage them to sign up with this form and include a \$25 check to hold their spot for next year. Want more info? Just call me at 402-365-4257 or let the office know of your interest.
