

# PRESCHOOL NEWS

March is flying by in preschool! We celebrated the birthday of Dr. Seuss by reading a lot of fun stories and doing activities to go along with the books. The kids enjoyed the silly words used and the pictures were fun to look at. I love to read to the kids! It's so interesting to listen to the little things they notice in the pictures and words of the story! Of course, we continue to work on letters and numbers along with basic math skills too. The sensory bin with water and bubbles was a hit! We now have some moon sand to build with and we like to dream of being on the beach where it's sunny and warm! March also is a time to talk about Shamrocks and Saint Patrick's Day. We've done art projects involving Shamrocks and learned how the three leaves can represent the Father, Son, and Holy Spirit. During our Jesus Time we have learned about the "wee little man" named Zacchaeus. The preschoolers were impressed by how Jesus could change the heart of Zacchaeus and make him a better man.

Enrollment for next year is underway and I currently have 8 children signed up for Preschool! I have had so much fun with the kids this year and feel so very blessed to have had a chance to teach them. Below is a picture of the 3 preschoolers who will be moving on to kindergarten next year.

Thank you for your continued prayers and support for this wonderful outreach of Peace Lutheran!
