THANK YOU to all the volunteers who help make the family of Peace function as a true family of God. The serving duties for April 2015 - March 2016 have been completed and are in your mailboxes. Some volunteer for one thing....and some volunteer for many things....but each volunteer has an important job and they all intertwine to make worship at Peace a truly meaningful experience. Thank you so much for taking part in serving Christ by volunteering!!

~ Marla Maschmann, Office Administrator

*When people are like stained glass -
they do not only live the message of Easter.
They only glow when the light
comes in from the outside.
Easter Christians glow with a
light from within!
Thank you for serving and sharing
the glow within.*
