Special thanks to Paulette Hynek who has so graciously volunteered to care for the 2 outdoor flower beds these last few years. Because of medical reasons she would gladly help someone, but cannot be in charge anymore. So, we are looking for a volunteer to take this over immediately. Please speak to Pastor or Marla to inquire what it involves or volunteer. Thanks again Paulette!!!!!!!

TRANSPORTATION MINISTRY

The volunteers I had scheduled for June, July & August all have only Pickup Trucks now for transportation, so are unable to serve, even though they'd like too. I will rely on our list of volunteers to fill in, but if someone would take one of these months or call and offer for a few Sundays that would be great!!
Call Marla in the office #365-7746.
