Books and DVDs are available on the shelves in the back of the church and in the library room upstairs. To check one out, just remove the card from the pocket, write your name and the date on it, and place it in the box. There are separate boxes for the church shelves and the library room. When you return your items to the back of the church, put the card back in the pocket and place the book on the shelf. If the item was checked out from the library room, just leave it on top of the bookcase (next to the check-out box) and I'll put it back on the shelf.
