

PRESCHOOL

What are you thankful for? This question was asked to the preschoolers and the responses were quite interesting. I heard things like family, pets, friends, pizza, tigers, football, colors, leaves, and a few even said Jesus! November was a time for us to talk about all of these things and the importance of telling God thank you through our prayers. Our Bible Story was about Abraham and Sarah. It was hard for us to believe someone as old as Sarah could have a baby, but then we remembered God can do anything! Abraham and Sarah were certainly thankful for Isaac. In mid-November, we were also blessed with a new classmate named Madison. It's always fun meeting new people and having a new friend to play with. We made thankful trees to take home with something we are thankful for written on each leaf. Taking time to slow down and say thank you was fun!

Of course, November is also a time where leaves are falling. We had fun watching the leaves flying around on the windy days. We also enjoyed exploring the leaves by touching them and playing in them. I've included pictures of the kids holding a pretty leaf print they sponge painted.

The preschoolers are quite the singers as well. They sang for everyone in church this month and did a great job. We are now working on our Christmas program which will be in the Fellowship Hall at 7pm on Thursday, December 13th. Learning about the birth of Jesus will be our focus in December.

Thank you for your continued prayers and support for PEEP!
