

Preschool News

by Kim Roth, Director

We have had a busy start to our preschool year! Learning our classroom routine has been our main focus. We have also been working on recognizing and writing our names. It's fun to see the faces of the kids light up when they see their name. We've made hand print pictures, clothespin people, and danced to Animal Action! We have also been learning about Creation during Jesus Time. We are amazed when we look around and see all the beautiful things God created. The rain kept us inside for the first week of school, so the kids have enjoyed finally getting outside and playing with our outdoor equipment. There are 7 students in the 4 & 5 year old group and 6 students in the 3 & 4 year old class. We are looking forward to singing in church for you on November 11.
